WORK EXPERIENCE

FULL STACK DEVELOPER
Mc Clothes / Honduras / September 2024
Full-stack ecommerce website, seamlessly integrating a custom Next.js frontend with Wix Studio for backend management. It features a dynamic product catalog, secure payment processing via First Atlantic Commerce, and a responsive, user-friendly design.

FRONT END DEVELOPER
Alpha Rho Technologies / Valencia, Spain / Summer 2022
Led the front-end development and UI/UX design, focusing on a sleek and intuitive user experience.

FRONT END DEVELOPER
Naturkolor / Spain / Summer 2021
Transformed a static PDF into an interactive, visually structured web page.
